Monthly Note

Hello all!

October is probably my favorite month of the year! It finally starts to cool off here in Arizona and it brings my favorite holiday, Halloween! My very first sewing memoires are all about Halloween. Working and planning with my mom who would make me and my brother the most elaborate costumes ever!

I also love making Halloween costumes and I am a sucker for Halloween fabrics.

Hope your October sewing is full of treats not tricks!

Feel free to send along any info you'd like published in next months the newsletter to me christamacdonald2@gmail.com

Guild Activities and Meetings

October 18th – Guild Meeting, New Hope Church, South Fork

October 21st – Rotational program at the San Luis Valley (SLV) quilt guild

STQG Fall Program Schedule

October Meeting – – The October meeting program will be provided by the members that have volunteered to do the rotational program for the San Luis Valley (SLV) quilt guild on October 21st. Kristin Steed, Vi Koch and Beth Kendall will do a dry run for our guild on October 18th.

November Program – We have been invited to join the San Luis Valley Quilt Guild when they host national presenter Lea McComas. We will not have our own program after our November meeting, but instead join the other guild to enjoy this presentation by Lea, whose specialty is Thread Painting. There is no limit on the group size for the lecture, but Lea has limited the class size to 20 and currently only eight of SLV's guild are signed up.

Lea McComas Schedule:

Friday, November 18th 2:00pm Lecture and Trunk Show \$10

United Methodist Church of Monte Vista, Fellowship Room (enter at north door on ground floor)

Saturday, November 19th 9:00am-4:00pm Class Same Location \$35

Two days Lecture and Class \$45

We each need to decide if we're participating in one or both events by our October meeting, so that we can let the SLV Guild know. We will provide more details as they come available, but for now you see Lea McComas work at her site <https://www.learmccomas.com/>

Reach out to Pat Miller and Kristin Steed (Program Chairs) with any program suggestions or requests.

Thank you

Community Service Notes

An update on community service quilts from Vi Koch

Just want to thank all of you for being so generous with making Children's quilts. At the last meeting, the kits I brought in were gone before I turned around. And it seems at every meeting someone will bring children's quilts. These quilts make Show and Tell special, and they will be very loved by the children that receive them!

I especially want to thank Beth Kendall for all the children's fleece that she has donated. It has been very helpful and fun to work with. We are very thankful, also, for the fabric that was donated by June Deatherage's family. Kathy's Fabric Trunk gives us 10% off materials for our Community Service projects. We certainly thank Kathy for her help. We will be donating, in a month or so, 15 to 20 quilts to the Children's Advocacy Center of the San Luis Valley. Also, we will be donating quilts to the Fire Department in South Fork. If you have any suggestions or questions, please give me a phone call at 719-873-7400 (our new phone number).
